BANNED BOOKS WEEK

September 18–24, 2022

Banned Books Week is an annual event celebrating the freedom to read. Banned Books Week was launched in 1982 in response to a sudden surge in the number of challenges to books in schools, bookstores and libraries. Typically held during the last week of September, it highlights the value of free and open access to information. Banned Books Week brings together the entire book community — librarians, booksellers, publishers, journalists, teachers, and readers of all types — in shared support of the freedom to seek and to express ideas, even those some consider unorthodox or unpopular. **Banned Books Week 2022 will be held September 18 – 24. The theme of this year’s event is “Books Unite Us. Censorship Divides Us.”** Come grab your Banned Books Week kit while you still can!! This year in celebrating literacy we’ll have a few kits ready for patrons of all ages to come and take home. The kits will include stickers, bookmarks, and some information on banned and challenged books of 2022, as well as 2021. The Banned Books Week kits will be at the front circulation desk for any patron to pick up and

Medicare 101 Program with Cliff Havens

"Important changes are coming to Medicare in 2023. Do you know what they are? Come to a FREE Educational presentation at the Library to find out, and get the answers you need to your other Medicare questions, as well!"

Those who would benefit and who might want to attend, would be: *Anyone already on Medicare, Anyone approaching Medicare age (turning 65), Any spouses and/or children of those on Medicare who help make these types of decisions, and Anyone under 65 who is on disability and receiving Medicare benefits as well.*

Some specific information that might be of interest to those who will attend, could be: *How do some qualify to have a lower Part B premium, or "Extra Help" paying for their prescriptions and/or Part D premiums? How and when can or should I enroll in Medicare? What are "Special Enrollment Periods" and why do some qualify to have these all year long? What does Medicare cover, what doesn't it cover, and what might be your potential out-of-pocket exposure? What to consider when choosing Supplements, Medicare Advantage plans and Part D Prescription Coverage, as well as cost saving strategies for the years ahead.*
