### *It's a New Year with some new beginnings*

Starting Wednesday, February 1st, the Walton Library will be changing its hours. The library will be open from 9 a.m. until 6 p.m. Tuesday through Friday. These will be known as the “Winter” hours. The change will affect the months of October through March going forward. Then, the months of April through September will fall back to the “Summer” hours of 9 a.m. until 6:30 p.m. Tuesday through Friday.

The Saturday hours of 10 a.m. to 2 p.m. will remain the same throughout the year.

### NEW FACES

#### Kari Bennett

Kari has joined the Library as a clerk. She will be working throughout the library with adults, youth, in the circulation department, and hosting the weekly Lego Club group. She and her family reside in Walton. Kari, whose background is in education, is very excited to join the staff and can't wait to meet everyone.

#### Cora Epperhart

Wanting to share her love of books with the community, especially her fellow youth, Cora Epperhart of Walton will serve as an intern with the library. We are thrilled to have her on board and hope everyone else will be, too. Cora will be involved in every aspect of the library, but will focus on social media and youth interests.

### LEGO CLUB CHANGES

After surveying various community members, it was discovered that patrons would prefer to meet for Lego Club from 4 to 5 p.m. every **Wednesday**. Therefore, anyone interested in participating in Lego Club is welcome to attend the new gathering day, starting Feb. 1st.

Please be aware of the rules:

- Parents/Guardians are required to remain on the Library premises during Club time
- Names and phone numbers, along with children information, will be collected
