A world of magic and wonder awaits. Come join us at 3 p.m. February 20th when we will take a trip back in time – back to when dinosaurs roamed the earth.

Along the way, we will learn about Jack and Annie's first of many adventures that all began in their Magic Tree House.

Geared for 7- to 12-year-olds, this exciting new program will provide opportunities to engage in various creative outlets: imagination, crafts, and activities that go along with the book, *Dinosaurs Before Dark*, the first installment of the *Magic Tree House* series.

Brother and sister, Jack and Annie, discover a tree house that holds a vast array of magical books. When they find *Dinosaurs Before Dark*, they are swept back in time to the Cretaceous Period, where they meet a Pteranodon that saves them from a Tyrannosaurus Rex. Jack also finds a gold medallion with the letter "M" on it.

But what does this mean? Will the siblings make it back to present day? Just what does that gold medallion do?

Find out which secrets will be revealed – the magical adventures have just begun.
